

# NOTICE OF DEVELOPMENT APPLICATION

Lord Tennyson Elementary - 1936 W 10<sup>th</sup> Avenue  
DP-2017-00530

August 25, 2017

Acton Ostry Architects, along with the Vancouver School Board, have applied to the City of Vancouver for permission to develop this site with a three-storey building containing a new elementary school on the first and second floors and a new child day care facility for 69 children on the third floor.

The new building is proposed for the western portion of the site. This proposal would replace the existing school building.

The proposal also includes demolition of the existing school, regrading of the site and development of new parking, playground and play field areas.

Under the site's existing RS-1 zoning, the application is "conditional" so it may be permitted; however, it requires the decision of the Director of Planning.

We welcome your written comments on this application by **September 14, 2017**. For more information and updates, including a proposed site plan, visit: [vancouver.ca/devapps](http://vancouver.ca/devapps)
