Pennyfarthing QE Park Properties has applied to the City of Vancouver for a Minor Amendment to Development Permit application DP-2017-00814 for permission to develop on these sites:

- an above grade structure approximately 5'x24'x9' high, providing pedestrian access to the underground parking garage below the rear yard of 5010 Cambie Street on a temporary basis; and
- below grade modifications to the parking garages at 4988 Cambie Street and 5048 Cambie Street by constructing a tunnel connecting the two buildings, providing temporary vehicular access to 4988 Cambie Street.

Under the site's existing CD-1 zoning, the application is "conditional" so it may be permitted; however, it requires the decision of the Director of Planning.
